Clickable brings you to full announcement with date and allows to view larger texts

Top 3 accounts receive gold silver and bronze borders around their icon as well as a badge on their profile

Clickable brings you to the user profile, if a solo user it will show how long the player has been active on the app, if youre a student this will only show people enrolled in the same class as you, and will take you to their school profile
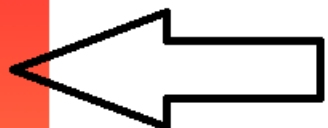

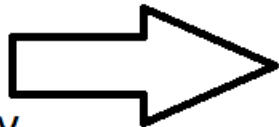

Takes you to the dashboard page to view classes and announcements (if student / teacher), the home screen will also contain the profile view button and the play button

Takes you to the "map" to select your level and play MusiQuest
